The complaint alleged a violation of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale

for importation, and the sale within the United States after importation of certain barcode scanners, scan engines, mobile computers with barcode scanning functionalities, products containing the same, and components thereof by reason of the infringement of certain claims of U.S. Patent Nos. 9,465,970, 10,956,695, and 11,238,252. *Id.* The complaint further alleged that an industry in the United States exists as required by section 337. *Id.* The Commission's notice of investigation named as respondents Zebra Technologies Corporation of Lincolnshire, Illinois, and Symbol Technologies, Inc. of Holtsville, New York (collectively, "Zebra"). *Id.* The Office of Unfair Import Investigations was not named as a party in this investigation. *Id.*

On July 11, 2022, pursuant to Commission Rule 210.21(b) (19 CFR 210.21(b)), Honeywell and Zebra filed a joint motion to terminate this investigation in its entirety based on a settlement agreement. On July 12, 2022, the ALJ issued Order No. 3, the subject ID, which granted the motion. The ID found that the motion complied with the Commission's Rules and that terminating the investigation would not be contrary to the public interest. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

This investigation is hereby terminated in its entirety.

The Commission vote for this determination took place on August 11, 2022.

By order of the Commission.

Issued: August 11, 2022.
